

Portland Rescue Mission

2020 YEAR IN REVIEW

PROVIDING HOPE

You are the heartbeat of Portland Rescue Mission! Every hot meal you provide. Every safe night of shelter you give. Every service you make possible - 24/7 restrooms, showers, clothing, chapel services, mail service, and referrals - shows loving care that means so much. For many people, that first friendly interaction is what starts them on a journey home.

WHERE FUNDS COME FROM

HOW FUNDS ARE USED

“ I slowly started to put my life back together, and that’s what this place does. Now every week I’m stronger, I’m better, I’m healthier, and I’m happier.” -Jack

Your car donated to our **Drive Away Hunger** program funds our services, provides job-training, and gives you the maximum tax deduction possible.

“ Homelessness can strike without warning. Divorce, domestic abuse, job loss, and many other issues leave men and women with nowhere else to turn.

THANKS TO YOU!

All of our life-restoring services are provided free of charge - without prejudice, without question - to share God’s love with open arms.
